

MOBILETRACK SDN BHD

Introducing the MOBILECAM Body Cam/Microphone

**NEW
Version**

Get the latest **MOBILECAM** for enforcement officers to record critical events with video evidence.

With cameras everywhere today, it's becoming critical for Law Enforcement to have the ability to record their civilian encounters. Get clear evidence of arrest or situations with video playback ability.

With the **MOBILECAM** you can now record the officer's side of the events. Without the need to add additional equipment. Compatible with most Motorola, Kenwood, Vertex walkie talkie models.
